

Full Wedding Planning and Coordination **Prices start £2,000.**

We will create an individual proposal for you which will include a detailed timeline leading up to your wedding of what needs to be done and when. It will also include information on all suppliers, as well as budget and a wedding day timeline created just for you. You will be able to access this proposal at any stage of the preparations, so that you know what is happening at all times.

Full Wedding Planning and Coordination also includes the following services:

- **Creative**
 - Theming – if the bride and groom are not sure where to start with the feel of the day we can talk through some ideas, put together some moodboards and work with the couple to understand their personalities so they can get the day they deserve.
- **Sourcing**
 - Ceremony location
 - Wedding Venue
 - Caterer (if not provided by the venue)
 - Wedding Cake
 - Photographer
 - Videographer
 - Flowers/decorations
 - Entertainment – music for the ceremony, reception drinks and during the evening
 - Children's Entertainment (if required)
 - Wedding day transport
 - Stationary sourcing – invitations, order of service, menus etc
 - Hair and Make Up
 - First Night Accommodation – for bride and groom
- **Management**
 - Invitation Management
 - Gift List Management
 - Budget Management
- **Advice**
 - Wedding party outfits
 - Hen and Stag parties – we can give advice to the best man/chief bridesmaid if they don't know where to start but we find that stag and hens parties are a very personal thing that most friends love arranging for the bride and groom. If full planning is required there will be an extra charge.

For weddings with more than 150 guests or for a wedding which requires extra resources the cost maybe more.

On the Day Co-ordination
£350

We will create an individual proposal for you, which will include information on all suppliers (as supplied by you), as well as a wedding day timeline created just for your wedding and it's needs.

For this service all suppliers must already be in place, but on the day you need some help making it all come together. For example you may need someone to co-ordinate between the caterers and venue staff. The above cost is for a 10-hour day.

6 Week Rescue Remedy
£450

If you are coming up to your wedding day and you find yourself in a bit of a fix, let us come in and help.

We will create an individual proposal for you which will include a detailed timeline leading up to your wedding of what needs to be done and when. It will also include information on all suppliers (as supplied by you), as well as budget and a wedding day timeline created just for you.

This service includes **On the Day Co-ordination** (10-hour day) as well as the sourcing of one Supplier if needed. We can sort through and organise any outstanding duties, and make sure everything is ready for the big day.

Venue Search
£250 for four options

You let us know what you want in a venue – location, bedrooms on site, stately home or castle and we will source you four options within your budget. We will have already visited each venue so we can discuss it first hand with you, as well as putting together a dossier on each, laying out the pros and cons. Should one of the venues be chosen for your event we can if required negotiate on your behalf in order to get you a good deal for your chosen date.

Supplier Search
£150 for four options

Can't find the wedding cake you are after, or don't have time to locate a photographer, let us know what you are looking for and we will source you four viable options within your budget, pulling together a dossier on each so you will be able to make an informed choice.

Wedding Dress Shopping / Consultancy
From £200

If you have no idea what style of dress will suit you and you need an unbiased honest opinion we are here to help. We will give you advice on style and what new looks are being showcased on the wedding catwalks, as well as advice on colour. We will source four local dress shops for you and will either join you for first fittings or if you prefer leave you at this time to be with family and friends.

Invitation and R.S.V.P Management
From £150

We will write and address readymade wedding invitations and post, as well as collecting all R.S.V.P's and chase any non-responders.

Gift List Management
From £150

If you are not putting together a gift list at a major department store and want to do things a little differently get in touch and see how we can help keep everything organised so you don't forget who bought what.

Budget Management £50

Simple but effective . . . got your wedding budget but don't know what you should be spending and where? Let us know your budget and we will make up a spreadsheet of where your money should be going – how much should be spent on a venue, what should the wedding outfit cost? Let us know what your *Wedding Must-Haves* are and whatever your budget we will send you some hints and tips about how to get them.

If you stick to our figures you won't go over your set budget.
(Please note this is for guidance only and if you overspend in one area and don't save somewhere else you will go over your set budget)

Consultancy From £20 for a two hour block.

If you need some advice, or don't know where to start when planning your wedding we offer a consultancy option, where we can either meet face to face or talk on the phone/e-mail about any questions you may have. Whether you are worried your colours may clash, or if you don't know how best to dress your venue. If you think you will need more than a few hours guidance over the planning period, package prices can be arranged.

Also includes a Wedding Day proposal for you to take away and add to if needed, as well as supplying you with some helpful generic timelines for guidance.

D.I.Y Bride package. From £200

This is a great little package for those that want to do most of it themselves but know that they will need help laying out any hand made decorations on the day. This doesn't include on the day coordination it's simple set up. You make all your decorations and we will lay them out for you following your instructions (so no need to rope in friends and relatives). Also includes helpful advice when you are starting the planning process as well as a meeting to discuss what you would like to achieve. We will give you some of our own documents that you can then take away and adapt/add to as you see fit, helping you keep on track.
